Initial Advisory: German Market Entry Process

We hereby contract the

German Center for Market Entry UG (haftungsbeschränkt)
c/o Freie Universität Berlin
Malteserstr. 74-100
D-12249 Berlin, Germany

to conduct an initial German market entry advisory for the following market entry project planned by our company:

Brief Description of Market Entry Project (please attach a detailed description of your company, market entry objectives, desired market entry mode etc.)

The requested advisory service contains:

- Examination of status quo and objectives
- defining of problems/challenges and initial advice related to our intended market entry project
- illustrating market entry process and necessary steps to be taken by us

The advisory fee of **EUR 595.00** (incl. 19% VAT) will be paid in advance to the following bank account:

German Center for Market Entry
Deutsche Bank
Bank Code 100 700 24
Account No. 074324500
IBAN DE29100700240074324500
BIC/SWIFT DEUTDEDBBER

The advisory fee for the initial market entry advisory service is 100% offsetable against the total project fee if the German Center for Market Entry is contracted within one year after the initial advisory to carry out the complete market entry project.
